Dear Mr. Vice Chairman:

This is in response to your request for a review of the relationship of the Intelligence Community to the Iranian government, including its intelligence services, from the post-war period until the fall of the Shah. (S)

I tasked all members of the Community with responding to your request. Of those, the Central Intelligence Agency, the Defense Intelligence Agency, the Federal Bureau of Investigation, and the Departments of the Army, the Navy and the Air Force reported engaging in official relationships with the Iranian government during the period under review. No such activities were reported by the Departments of State (INR), Justice, Treasury, Commerce, Energy or the National Security Agency. (S)

I am forwarding the reports from those Community members reporting relationships for your study. Please let me know if you need anything further on this subject. (U)
